Blaupunkt IP54 LED ceiling lights

The Blaupunkt LED ceiling lamp with an increased IP54 tightness class is the perfect lighting for rooms where you can observe moisture and a large amount of dust. Waterproof and dustproof are not the only arguments in favor of the Blaupunkt LED ceiling lamp. They also include a motion sensor that saves a lot of energy by only using it when needed. The Blaupunkt ceiling lamp also guarantees a long service life of up to 50,000 hours.

Technical data

	Item code	Colortemperature [K]	Power [W]	Luminosity [lm]	Light efficiency [lm/W]	Dimensions [mm]
