Blaupunkt LED panels

The Blaupunkt Quantum LED panel is the perfect lighting for offices, service facilities or public buildings. It comes in three variants – surface mounted, suspended and flush-mounted. It was made of high-quality aluminum, and its distinguishing feature is high light efficiency that allows it to achieve a brightness of 4,400 lumens with a low power consumption of only 40W. Satisfactory technical data is not all that the Blaupunkt Quantum LED panel has. Thanks to its design, it looks very modern in any room.

Technical data

	Item code	Colortemperature [K]	Power [W]	Luminosity [lm]	Light efficiency [lm/W]	Dimensions [mm]
Blaupunkt LED Panel Quantum 40W 60x60cm natural color surface-mounted [PLS40NW-N]	PLS40NW-N	4000	40	4400	110	59,5 cm x 59,5 cm x 3 cm
Blaupunkt LED Panel Quantum 40W 60x60cm natural color, suspended [PLS40NW-C]	PLS40NW-C					
Blaupunkt LED Panel Quantum 40W 60x60cm natural, recessed [PLS40NW]	PLS40NW
