Blaupunkt assembly frame for 60×60 panels

The mounting frame allows the installation of LED panels. Surface mounting in a frame is a convenient and simple form of lighting installation. The 60×60 surface-mounted frame is designed for mounting square LED panels with dimensions of 59.5 cm x 59.5 cm. White is the best color for most panels. Thanks to the mounting frame, you can easily create office or store lighting or use it in a private space.
