

Linear luminaires Greenie LED hermetic LH IP65

Linear luminaires Greenie LED hermetic of LH series are designed to work in very difficult conditions. They can be used at a temperature from -30°C to 50°C. Thanks to IP65 protection rating, they are dust-proof and resistant to water, steam as well as to high and low temperatures. They can be used for lighting facades, interiors (e.g. bathrooms, kitchens, garages), swimming pools, sports facilities, cold stores and other premises.

Parameter

TECHNICAL DATA:	Installation: both to the wall and ceiling
OPTICAL DATA:	Diodes covering: matt
ADDITIONAL DATA:	Combining: the possibility to combine in one string
